JUDGE SEMINAR
International Judge Candidate Certification
Continental Judge Certification
USAA National/Regional Judge Certification

April 1-3, 2014 - Phoenix, Arizona, USA

Visas:

Application for and obtaining travel visas to the United States are completely and solely the responsibility of the participant. A visa will be required of all visitors to enter the United States with the exception of Canada and the nations that are part of the "Visa Waiver Programme". The process for obtaining a visa requires each individual to submit an application through a U.S. Embassy or U.S. Consulate. This is a process that MUST be done by the applicant.

Please visit <http://travel.state.gov/visa/> for more information regarding visas.

Participants are encouraged to take part in informal discussions and conversations outside of the classroom. Much of the most meaningful judging information is by way of open discussion "after hours".

It is our pleasure to host this judge seminar to help bring the international standard of judging to national, continental and international levels.

Sincerely,

Robert (Bob) Pian for USA Archery Arizona
